

Autodor Price List

1st March 2025

Choose from 36 standard sizes and 7 different colours

Autodor Garage Doors

Door sections

Made of galvanized steel. Only available in Premium door design, with 42mm thick insulated panels filled with insulating PU-foam (100% CFC-free). Bottom door section comes with floor seal.

Surface

The outside of the garage door has either Woodgrain or Planar surface textures, with painted finishes.

Spring arrangement

All doors up to 4000 mm wide and 2250 mm high come with tension springs as standard and torsion springs are available at extra cost. All doors over 4000 mm wide come with torsion springs as standard. Low headroom application available at extra cost. Please refer to the pricing tables for further information.

Side frames & Fascia

Sectional doors are designed to be fitted behind the reveals and side frames are supplied white in colour. Cover profiles are made of galvanised sheet steel. Dimensions are either 55mm x 19.5mm or 90mm x 19.5mm. Single skinned 95 mm steel fascia panels are available on request.

Packaging

Sectional doors are provided in a palletted format shrink wrapped for easy handling.

Colours

For Linear Medium designs, choose from 7 colours in Woodgrain or surface finish with a RAL colour paint finish.

- Traffic White (RAL 9016)
- Jet Black (RAL 9005)
- White Aluminium (RAL 9006)
- Grey Aluminium (RAL 9007)
- Anthracite Grey (RAL 7016)
- Terra Brown (RAL 8028)

		1201	1244	1411

¹ For garage side doors with a Planar surface finish, the door leaf frame and wall frame are coated in a colour matching the colour matt deluxe, but with a higher gloss level than matt deluxe.

Autodor Wicket Doors

Convenience Meets Premium Design

The perfect solution for frequent pedestrian access, Autodor Wicket Doors are now available across all door ranges: Linear Medium Woodgrain and Planar, Linear Large Planar.

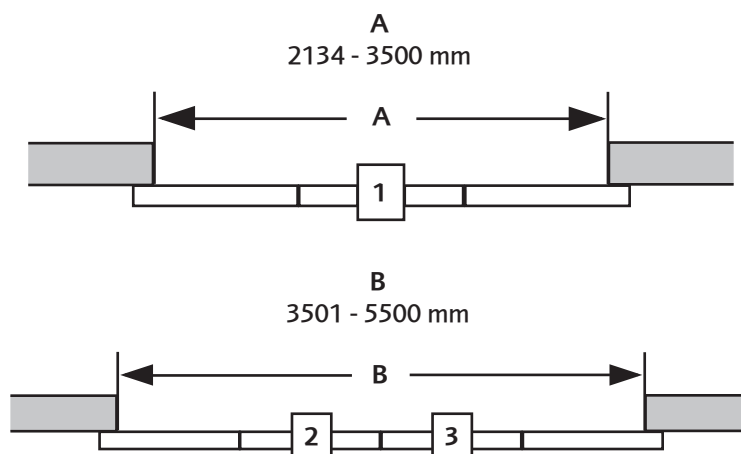

Key Features

Seamless Design: Engineered to blend with your main door, every wicket door features the same silver anodised frame for a sleek, modern finish.

Color Options

All colors from the Autodor standard range are available, ensuring perfect coordination with your primary door. Please note: color-matched wicket frames are not available.

Flexible Positioning

- For door widths between 2134 mm and 3500 mm, the wicket door is positioned centrally.
- For widths between 3501 mm and 5500 mm, it is positioned off-centre, with a choice of two precise locations.

Functions

Ensures seamless operation, connecting the door to the operator via a neat, durable curly cable for a tidy and efficient setup. Floor Level Checks: Proper leveling is crucial for smooth operation and professional installation.

Why Choose a Wicket Door?

Whether you need a convenient pedestrian access point or want to maintain your garage's aesthetic appeal, Autodor Wicket Doors offer unmatched functionality without compromising on style.

Total list price £ 2530 on top of chosen door price.

Please note, price shown are for complete price of wicket door, Garamatic 20 operator, AT2 activating kit and wicket contact preparation. All colours are included in the price.
